## FIND NO TRACE OF MISSING PACKAGE

Detectives Search for Shipment of \$5,000—School Prospects Bright.

(Special to The Times-Dispatch.)  
Fredericksburg, Va., August 21.—The missing express package containing \$5,000 sent to a bank in Baltimore some time ago continues to be a mystery. A number of detectives and others are still at work on the case. The package was taken from the express office here to the train by H. E. Bozel, then an employee of the local express office. He claims to hold a receipt from the messenger, to whom he turned the package over.

Mr. Bozel was in Baltimore several days last week in consultation with officials of the express company. He recently resigned his place with the company.

Prospects for a large attendance at the opening of the Fredericksburg State Normal School here next month are excellent. Almost all of the rooms in the large dormitory have been engaged, and it is expected that the full capacity of the institution will be taxed at the opening session.

Three negroes—Ranks, Carter and Burrell—who were arrested by Lancaster county authorities for selling liquor on a boat off Wharton Grove camp meeting a few days ago, were tried in a justice's court at Weems, in Lancaster county, and fined \$100 each and each was given a jail sentence of sixty days. They took an appeal to the Circuit Court.

Cards are out for the marriage of Miss Lella Eleanor Saunders, daughter of Mr. and Mrs. Otho A. Saunders, of Middlesex county, to Elmer B. Givens, the ceremony to take place at Bethel Church, in Middlesex county, August 26, at noon.

WANTS EQUAL HONOR PAID.

**Bishop Hoss to Oppose Measure for Monument to William Campbell.**

(Special to The Times-Dispatch.)  
Bristol, Va., August 21.—It is understood among acquaintances of Bishop E. H. Hoss, of the Methodist Episcopal Church, South, here, that the bishop will appear before the Library Committee of Congress at the next session to enter a protest against Senator Martin's measure to appropriate \$25,000 for the erection of a monument to the memory of General William Campbell at Abingdon. Bishop Hoss, it is said, takes the view that this measure would be manifestly unjust to the memory of General Evan Shelby, whose bones are buried here, and General Juan Sevier, whose body sleeps on the courthouse green at Knoxville, Tenn., both of these generals being entitled, it is claimed, to equal honor with Campbell for what happened at King's Mountain. It is further contended that a more logical point for the location of a monument doing honor to all three of the heroes would be at Sycamore Shoals, in Carter county, Tenn., where the army assembled for the perilous march across the mountains to meet Ferguson's men in what proved to be the decisive battle of the Revolution.

Much interest attaches to Bishop Hoss's opposition, not that he would rob the memory of General Campbell of just fame, but because of the conviction that in whatever the government may do to honor the memory of the heroes of King's Mountain, the leading spirits should share alike.

**BIG DEED OF TRUST FILED.**  
Paper in for \$3,000,000, and May Mean Completion of Railroad.

(Special to The Times-Dispatch.)  
Roanoke, Va., August 21.—The biggest deed of trust ever handled in the Circuit Court of Floyd county was filed there Saturday by the United Chemical and Nickel Corporation Company, the deed being made in favor of Roanoke Trust Company, of Boston, for \$3,000,000. This transaction has a significant bearing, and means much to Floyd county, since it is more than likely to insure the completion of the Roanoke-Mt. Airy Railroad. The United Chemical and Nickel Corporation owns thirteen large tracts of land, and has had option on others. These lands are said to contain vast deposits of silver and copper as well as other minerals. The \$3,000,000 will be devoted to the development of the properties.

**AT ITS CAMP NEAR GOSHEN.**  
Annual Meeting of Spotsylvania Holiness Association.

(Special to The Times-Dispatch.)  
Spotsylvania, Va., August 21.—The Spotsylvania Holiness Association began its regular annual meeting to-day at its camp near Goshen, in the county. A crowd of 1,000 people was on the grounds, and the services were conducted by Rev. Dr. Hooley, of the Church of the Holy Nazarene, of Washington. These meetings will last about ten days, and the ministerial force will be largely increased.

An altercation occurred in the grounds between two white men, for whom warrants were issued, and the offending parties will be tried.

**AUTO SCOUTS WILL MAKE TRIP TO WASHINGTON IN OCTOBER**  
(Special to The Times-Dispatch.)  
Bristol, Va., August 21.—The automobile scouts who are to cross the State of Virginia, from Bristol to Washington, in the interest of the proposed stone highway from Bristol to Washington, as an extension of the Memphis-to-Bristol highway, have postponed their trip until early in October. This has been done as a means of partially organizing the counties in advance of the trip. President W. H. Aston, of the association, suggested this, saying that conditions were quite different in Virginia from what they are in Tennessee, thus requiring organization along different lines.

**Chambers—Perceval.**  
(Special to The Times-Dispatch.)  
Fredericksburg, Va., August 21.—Johanna W. Chambers, of Maryland, and Miss Annie Perceval, daughter of the late Dr. and Mrs. John Perceval, of New Orleans, La., who has been visiting in Madison county, were married a few days ago at St. Thomas's Episcopal Church, at Orange, by Rev. Daniel Chambers, brother of the groom, performing the ceremony.

**Arrington—Wheeler.**  
(Special to The Times-Dispatch.)  
Fredericksburg, Va., August 21.—Richard C. Arrington and Miss Lucy E. Wheeler, both of Stafford county, were married here by Rev. Thomas S. Dunaway, D. D., at his residence. They will make their home in Stafford county.

**COAL MEN PREPARE FOR STRIKE.**  
Anthracite to Be Hoarded This Winter Against a New Wage Demand.

Wilkesbarre, Pa., August 21.—Coal men predicted here that beginning in September all the anthracite coal companies will work full time until spring, when the existing agreement with the mine workers expires, on March 31. This will be for the purpose of storing as much coal as possible in anticipation of a strike of the mine workers for an increase of wages.

At the conventions this summer the mine workers expressed their determination to demand an increase of from 20 to 30 per cent. next spring, and organizers are now working throughout the anthracite region to strengthen the union. The miners, according to some of the best informed coal men, really expect trouble next spring, and strike years are being put in condition. The coal men say that the profit is so small now that if an increase in wages is granted it will be necessary to advance the price of coal.

## MANN SPEAKS AT FARMERS' PICNIC

Interesting Exercises Held at Cluster Springs on Saturday.

(Special to The Times-Dispatch.)  
Cluster Springs, Va., August 21.—A very enthusiastic crowd assembled here Saturday at the Academy Park to attend the Farmers' Institute and picnic.

The exercises began at 11 o'clock, when County Collaborator W. W. Wilkins, of Mt. Carmel, called the meeting to order and requested Samuel L. Adams, of the Halifax bar, to introduce Governor Mann, who for nearly an hour and a half held the close attention of all present. He made a strong plea for the moral, intellectual and material advancement of the old State. The Governor's speech abounded in humorous anecdotes and illustrations, and he was frequently applauded.

The Governor was followed by T. O. Sandy, of Burkeville, who spoke interestingly on grasshoppers and alfalfa, and a club was organized to grow that crop.

Mr. Wilkins called for reports from the Boys' Corn Clubs, which were encouraging, although the drought has injured crops in this section considerably.

A bountiful picnic dinner was served on the grounds free to everybody.

In the afternoon there were demonstrations in canning by Misses Agnew, of Nottoway, and Terry, of News Ferry, Halifax county.

A permanent organization probably will grow out of the meeting, which was a great success.

**EDWARDS FAMILY REUNION HELD NEAR CRYSTAL HILL**  
(Special to The Times-Dispatch.)  
South Boston, Va., August 21.—The rural home of R. T. Edwards, near Crystal Hill, was the scene of a happy family reunion on Friday, the children and grand-children, numbering thirty-eight, being present.

These gatherings are annual social events with the Edwards family, and the number of grand-children never diminishes. Mr. Edwards is a Confederate soldier, having served in Pickett's division throughout the war. A sumptuous dinner was served out on the lawn, and a large spreading sugar maple.

All of the children—Mrs. W. K. Hallow, Mrs. C. E. F. Boston, Mrs. L. L. Linton, R. L. Locks, of Clover; E. H. Edwards, of Roanoke; Mrs. S. M. Nickols, of Crystal Hill; Mrs. T. C. Canale, of New Market; Mrs. C. C. Edwards, of Clover; Misses Fannie and Lucile Edwards, of South Boston; Miss Ellen Edwards, Master Willis J. Edwards and Master Claude Edwards, of Crystal Hill, together with sixteen grand-children, were present, with the exception of one grandchild, who resides in West Virginia.

**THE EASIEST WAY TO SHAMPOO THE HEAD**  
Mrs. Mae Martyn, writing in the Oakland Tribune, on "Care of the Hair in Summer," says: "The weather months, with their distasteful atmosphere, compel one to indulge frequently in shampoos in order to keep the hair clean, fluffy and lustrous."

"A delightfully cooling and soothing shampoo can be had with canthrox, which is very beneficial to both hair and scalp, and so easy to use that visiting a shampoo parlor is unnecessary. Get a package of canthrox and dissolve a teaspoonful in hot water. Rubbing a little at a time on the head creates a rich, cleansing lather that removes every particle of dust, dandruff and excess oil. After rinsing the hair will dry quickly, and becomes soft, fluffy and very brilliant."

## SPLIT IN PARTY IS WIDE AS EVER

Fight Between Republican Factions in Rockingham—Postal Bank Starts.

(Special to The Times-Dispatch.)  
Harrisonburg, Va., August 21.—Local Republican leaders made announcements to-day showing that the old factional split in the Rockingham G. O. P. ranks is far from being healed.

The John Paul faction has called a county convention for September 13, when the Republicans will nominate a candidate for county treasurer to oppose Senator George B. Kezette, who is certain to be nominated by the Democrats, unless the unexpected happens.

The old Acker-Kezelle Republicans are standing aloof. They withdrew from the committee meeting, refusing to participate in the call for a convention, asserting that the condition of the party is such that it would be unwise to name a ticket.

Last fall the Acker-Kezelle forces won in the county convention, getting the endorsement of Ot for Congress, and landing their men on the county committee.

The Paul faction bolted, endorsed John Paul for Congress, and formed a new county committee. At the district convention in Charlottesville Paul was nominated by one faction and Lupton, of Winchester, by the other.

The State Committee threw up the sponge, and decided to let both candidates fight it out at the polls. John Paul won over Lupton, although James Hay went to Congress by a great majority.

This put Paul in the local saddle. Postmaster-General Hitchcock named

**SPECIAL VOTE OFFER STARTS THEM TO WORK**  
Subscriptions Count More Than Ever This Week, and Pony Constantants Are Straining Every Effort to Secure Them---Heavy Voting.

The special bonus offer allowing 15,000 extra votes on every \$25 worth of subscriptions turned in this week has created a sensation in the pony contest. Those who have been at work have opened up with new energy, and those who have not heretofore done much have started after it. The result is that yesterday was the heaviest subscription day that the contest has so far seen.

All day long the contestants were coming in, and every mail brought the results of the day's work from the out-of-town workers. It is a golden opportunity and is being taken advantage of by all the wide-awake ones. At no time during the contest will such an opportunity present itself, and the contestant who is on the job will exert every possible effort to secure subscriptions during the week of the special offer.

Fifteen thousand extra votes will go a long way toward polling a heavy vote, especially when it means extra votes, in addition to the regular schedule allowed on subscriptions. Every contestant in the list has an equal opportunity, and there is no reason why any boy or girl in the list cannot secure at least one special coupon.

The contest is now warming up, and every day from now on will be a busier one. Contestants are fast realizing that the fight is going to be a lively one, and that it will take systematic work to win out. The contestant who is on the job is laying out a carefully planned campaign. No general ever saw the morning of battle dawn but what all the plans were carefully made. Every weak point under control and every detail ready for a winning fight. And so it must be with the contestant who will win out in the pony contest.

The thing to do is to have every day's campaign carefully planned. Know just where you are going after the support, set a certain mark that you are going to reach before you stop for the day, and then don't stop until you have accomplished it.

Above all, don't get discouraged. If you have a bad day don't think that you are all going to be bad ones. If you don't do as much one day as you should have done, make up your mind that you are going to make up for it the next.

The contest is not more than just fairly started, and there is no reason to think that because some one else may be a few thousand votes ahead of you that you can't catch up. Remember that it only takes a few subscriptions to make up that difference, and you can secure them if you make up your mind to do it.

The next list of standings will be published Thursday morning and will include all votes donated in the ballot box in this office up to 10 o'clock
